Continuation of Substance of Interview including description of the general nature of what was agreed to if an agreement was reached, or any other comments: Mr. Sanders called to protest the Final rejection mailed 11/6/07 (it was a 1st action final after an RCE with claim amendments saying that it was premature). It was agreed that the majority of the claim amendments submitted with the RCE were not mere wordsmithing, or cosmetic, in nature and the final rejection mailed 11/6/07 should be considered non-final by applicant. The period of time to respond is not reset, but continues to run from the 11/6/07 date of mailing of the new non-final rejection.
